Hi my name is Fiona Takos and I am the new Acting Principal at Aldinga Beach Primary School. You probably already know me well as I previously held the position as Deputy Principal at the school. We started this term with a celebration of Mel's life.

Our school community came together with family, friends and colleagues from the Partnership. I would personally like to thank the school community and the broader community for all of the care, compassion and support provided to all of us during this sad time.

I would like to finish with some words from Mel's 2020 Yr7 Graduation Speech: As you work hard, be kind. Be kind to yourself and see all the things you have to offer this world. Be kind to your friends and make sure they know you are true and loyal. Be kind to your family and make sure they know how much you treasure them.

This is the current school Leadership Team:

Fiona Takos – Acting Principal
Karen Holmes – Acting Deputy Principal, Trauma Informed Practice
Tom Vincent – Assistant Principal, Wellbeing
Nicole Hendy – Numeracy Leader
Belinda Branford – Special Education Leader
Sam Healy – Meditation for Learning Leader
Jane Moore – Kindy Transition and Pedagogy

Blue Unit Learning

Some 3D faces that were created in BL35 last week. The kids loved creating these and some of them are self portraits. They're completely made from paper, including the eyes.

Blue Unit Learning

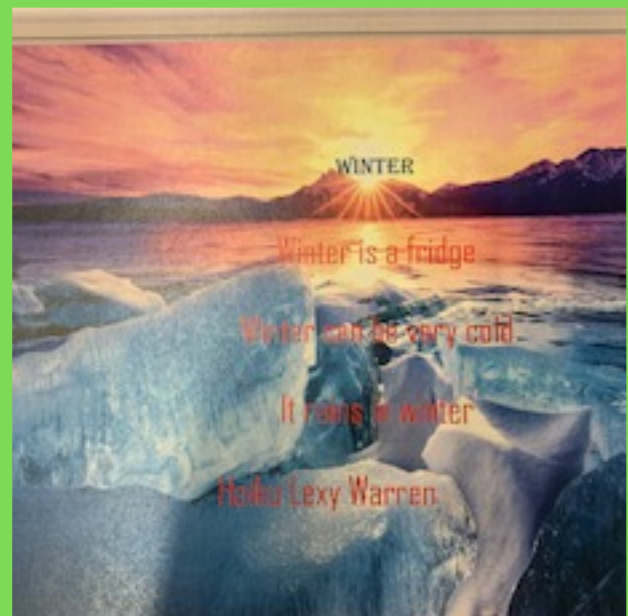

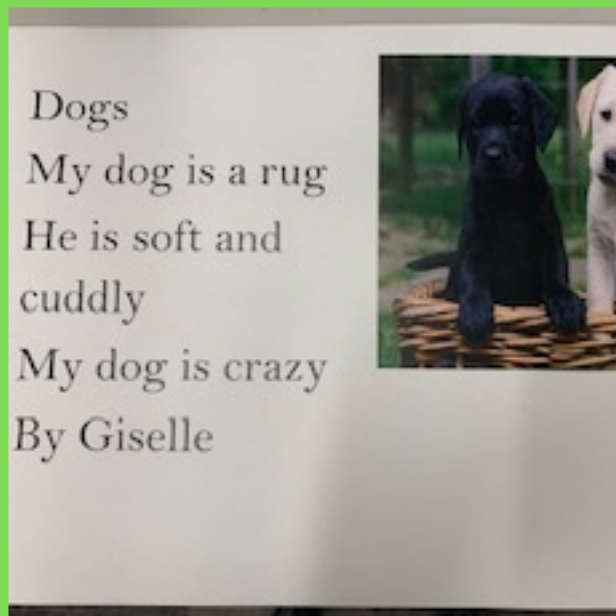

BL31

In maths we have been learning about my rounding numbers to the nearest 10, 100 and 1000.

Playing in teams of two, students have learnt about reading numbers between 1000-9999 and figuring out if they round up or down.

Green Unit Learning

GRO5 have begun studying the forms and features of different poems. This week we learned about Metaphors and created a Haiku Poem. Haiku poems originated in Japan. They are usually about something in nature and have a specific syllable pattern. A metaphor is a figure of speech that is used to make a comparison between two things that aren't alike but do have something in common. See if you can spot the clever metaphors the students have used in their poems!

Our Culture Mob Update

Culture Hub

The Culture Hub, this term, have been continuing to work on the bush tucker garden for Malpa, researching and telling stories using symbols after finding inspiration at Warriparinga. Through Malpa we have also visited the Aboriginal Health Council to learn about the role of an Aboriginal Health Practitioner.

We have had 1 RAP meeting this term which helped us prepare for Reconciliation Week events with some other projects in the pipeline as we work together with the school community towards reconciliation.
